Sir

In connection with the enquiries [illegible] reference to the Deputy Commissioner's Circular No. [illegible] dated [illegible] and the reference received from the Senior Superintendent of Police, Hassan, requesting to be informed of the [illegible] Presidents of the District Fund Committees, I have the honour to inform you that no [illegible] have been made for the [illegible] Committees for the current year. The Deputy Commissioner of the District is also the President of the [illegible] Committee and the Senior Superintendent of Police is the Vice-President.

I have the honour to be
Sir
Your most obedient servant

mension has been made in the annual District Fund Budget, and that on a reference to the senior Surgeon requesting that an extra Midwife may be sent for this District it was intimated that one would be sent when available as there were apparently no trained hands for service.

2 ——— It need not be stated here that want of trained Midwives in the talooks is specially felt in remote villages and the difficulties attending this want cannot be exaggerated. This difficulty becomes aggravated when, in case of a midwife being absent on leave, a perfect stranger who cannot command the confidence of the female population is sent to fill her place temporarily. The remedy to this can only be found in the appointment of a returning midwife who can make herself acquainted

acquainted with the work by having in ~~the~~ town appointed in different parts during the absence of the permanent midwives. Having regard to the above both the District Fund Board has resolved to allow a scholarship for one woman to enable her to undergo training in midwifery, with a view to her employment in the District when a vacancy occurs.

3_____ Since no training midwife has been appointed for the District the amount provided under that head may with advantage be appropriated to pay a scholarship of Rupees 10 per mensem to a stipendiary student.

4_____ I have the honor to request therefore that you will be good

enough
